

Text Description of Safe Routes

Route for students living on the east side of Bangerter Highway and south of 13400 South: Students proceed on their neighborhood sidewalks north to 13400 South. Students then proceed west along 13400 South to the skywalk over the highway. Once over the skywalk, students will push a button for the traffic light to allow pedestrian crossing over the entrance road to southbound Bangerter Highway. There will be a crossing guard to assist students in crossing this road. Students continue west along 13400 South to Innovation Drive and turn left. Proceed on the west side of Innovation Drive and follow it turning right at the corner and continue to head west on Innovation Drive. Cross at the crosswalk on 4000 West towards South Hills middle School.

Route for students living east of 4000 West and south of Bangerter Highway (off 13800 South): Students should proceed on their neighborhood sidewalks to 13800 South. Students walk west along the south side of 13800 South to 4000 West. Students use the crosswalk at the intersection of Red Tail (13675 South) and 4000 West to move to the west side of 4000 West. Continue north along 4000 West to South Hills Middle School.

Route for students living in the subdivisions west of 4000 West, east of Welby Jacobs Canal, and south of 13400 South: Students should proceed on their neighborhood sidewalks to 4000 West. Continue north along 4000 West to South Hills Middle School. (OR) Students can travel north on S 4170 W until they reach 13615 S. They will turn east onto 13615 S. Students will continue on 13615 S until they reach Deer Glen Circle. Students will turn north into Deer Glen Circle and use the access point (walkway) connecting Deer Glen Circle to the south end/field of South Hills Middle.

Route for students living east of the Mountain View Corridor (MVC), west of Welby Jacobs Canal, and south of 13400 South: Students should proceed on the neighborhood sidewalks to the Mountain View Corridor. Students will turn right and use the sidewalk on the east side of the MVC. Students will follow the sidewalk north to 13400 South. Students will turn right at 13400 South and use the sidewalks on the south side of 13400 South. Students will follow the sidewalk east to 4000 West. Students will turn right onto 4000 West and use the sidewalk on the west side of 4000 West. ****USE CAUTION WHEN CROSSING IN FRONT OF THE MAVERICK GAS STATION**** Students will follow the sidewalk to South Hills Middle School.

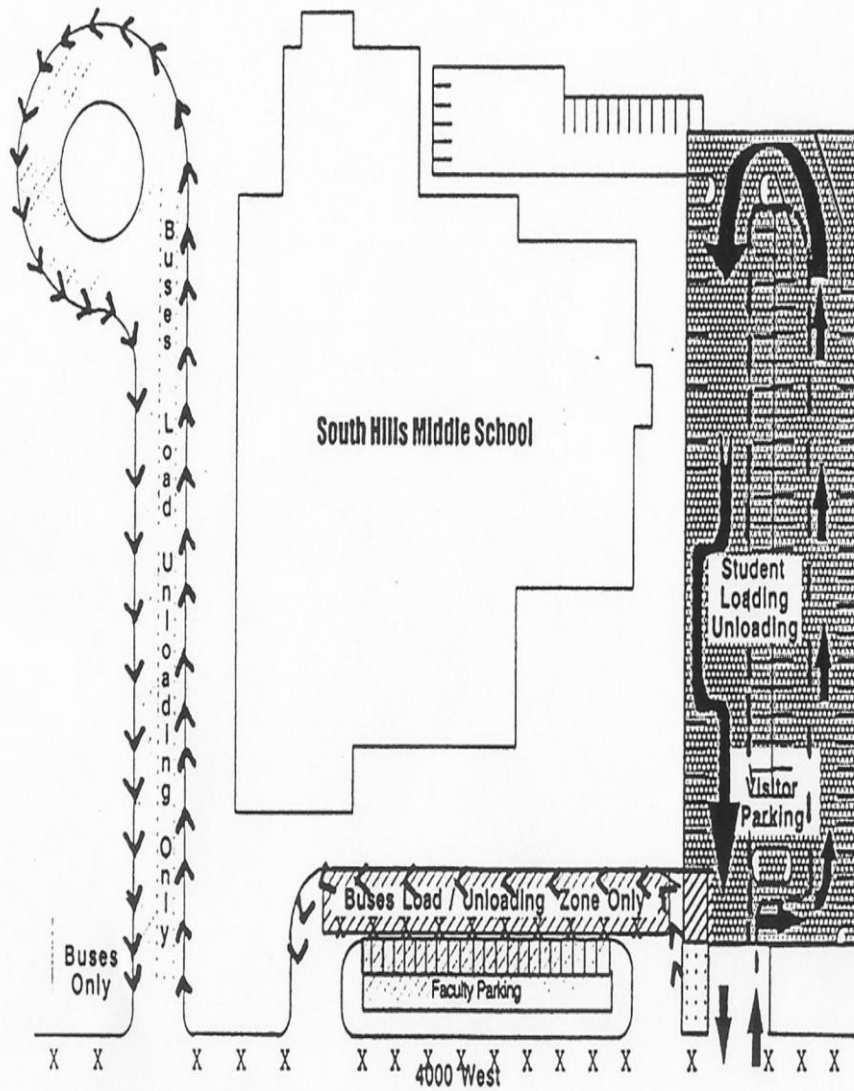

Route for students living north of 13400 South (between Mountain View Corridor and Bangerter Highway):
Option #1: Students proceed from their neighborhood sidewalks to 12600 South. They proceed on the north side of the road east on 12600 South to the intersection. Cross to the skywalk over Bangerter Highway. Once over the skywalk, continue to 3600 West. Students may then proceed south along either side of 3600 West to 13400 South. Students cross at the intersection of 3600 West and 13400 South to the southwest corner of the intersection. Students may continue south along 3600 West, behind Wal-Mart, to South Hamilton View Road. Turn right (south) on South Hamilton View Road. They then proceed to 13800 South. Students walk west along the south side of 13800 South to 4000 West. Students use the crosswalk at the intersection of Red Tail (13675 South) and 4000 West to move to the west side of 4000 West. Continue north along 4000 West to South Hills Middle School. **(OR)** Students then proceed west along 13400 South to the skywalk over the highway. Once over the skywalk, students will push a button for the traffic light to allow pedestrian crossing over the entrance road to southbound Bangerter. There will be a crossing guard to assist students in crossing this road. Students continue west along 13400 South to Innovation Drive and turn left. Proceed on the west side of Innovation Drive and follow it turning right at the corner and continue to head west on Innovation Drive. Cross at the crosswalk on 4000 West towards South Hills Middle School.

Option #2: Students should proceed from their neighborhoods west to Mountain View Corridor. Students will use the sidewalks on the east side of Mountain View Corridor and proceed to 13400 South. ****USE EXTREME CAUTION WHEN CROSSING 13200 SOUTH WHILE PROCEEDING TO 13400 SOUTH**** Students will cross 13400 South using the crosswalks and pedestrian traffic signals/lights. ****USE EXTREME CAUTION WHEN CROSSING 13400 SOUTH**** After crossing 13400 South, students will continue to head east on the south side of 13400 South until they reach 4000 West. Students will turn right onto 4000 West and use the sidewalk on the west side of 4000 West. ****USE CAUTION WHEN CROSSING IN FRONT OF THE MAVERICK GAS STATION**** Students will follow the sidewalk to South Hills Middle School.

Route for students living west of the Mountain View Corridor: Students will proceed on their neighborhood sidewalks to 13400 South. Students will use the sidewalk on the south side of 13400 South to head east on 13400 South to the Mountain View Corridor. ****USE EXTREME CAUTION WHEN CROSSING BUSINESS ACCESS**

POINTS ON THE SOUTH SIDE OF 13400 SOUTH** Students will cross the Mountain View Corridor using the crosswalks and pedestrian traffic signals/lights. **USE EXTREME CAUTION WHEN CROSSING THE MOUNTAIN VIEW CORRIDOR** After crossing the Mountain View Corridor, students will continue to head east on the south side of 13400 South until they reach 4000 West. Students will turn right onto 4000 West and use the sidewalk on the west side of 4000 West. **USE CAUTION WHEN CROSSING IN FRONT OF THE MAVERICK GAS STATION** Students will follow the sidewalk to South Hills Middle School.
